

The Hugs U Wear program helps restore confidence and self-esteem to children experiencing hair loss due to cancer treatments. Hugs U Wear are 100% human hair custom made wigs with a detachable denim cap.

This program is available *free of charge* to children under 21 battling any type of cancer.

Heres what you need to do...

- Wash your hair with shampoo and use conditioner if needed. Hair must be dried thoroughly without any styling products such as, hairspray, mousse, gel, etc...
- Gather hair into a ponytail and fasten with an elastic band at the nape of your neck.
- Make sure the band is tight around the hair to keep the hair together after cutting. Ensure that the elastic band is just below where you want to cut your hair.
- Measure the length of the ponytail, from the elastic band to the tips, making sure it's at least 12 inches long. *Donations shorter than 12 inches cannot be used in our custom wigs program.* If it is too short, please continue growing it to achieve the minimum length requirement.
- Once the hair has been cut, Please *do not wash or style the ponytail in any way.*
- Place the ponytail in a zipper-lock bag and seal tightly. Please ensure the ponytail is completely dry before mailing.
- Place the plastic bag with the ponytail in a padded or plastic envelope and mail to:
[Childhood Leukemia Foundation 807 Mantoloking Road, Brick, NJ. 08723](#)
- Please include your name, address and email address so we can properly thank you.
